On 13th March, Africa will be celebrating the role of Scouting in educating Africa's youth. The theme of this event will be: "Our Africa, Our Environment: Scouts Care?". For more information on how you can take part, please download a kit attached to this article.

13th March is a day that was set aside by the Council of Ministers of the Organization of African Unity, OAU – a predecessor of the African Union (AU) – during its 62nd Ordinary Session in Addis Ababa in Ethiopia on 21st – 23rd June 1995. This was in recognition of the role of Scouting in educating Africa's youth.
