

## The first World Radio-Scouting Conference Norway

Author: Richard Middelkoop  
Saved From : [www.scout.org](http://www.scout.org)

During the 14th World Jamboree in Norway in 1975 a one day Conference was organized for all radio amateurs on site.

A [summary](#) of the meeting appeared in the overall report of the LC1J activities.

The entire report as well as a full sound recording of this meeting is available in the [historic section](#) of the on-line radio-scouting library on this web site.
