

Eurosea 9

Participants at the last event

Aims and Content

“Eurosea” is the European Seminar for Sea Scouting, now in its 9th edition!

Its aim is to develop the international dimension within Sea Scouting and to share best practises and ideas in the development of Sea Scouting.

Eurosea 9 will focus also on exploring ways to celebrate 100 years of Sea Scouting in 2010.

Priority Areas

- Educating Young People

Suggested follow up by participants and their associations

- Promote and further develop Sea Scouting in each NSO.
- Encourage one integrated approach to youth programme and training, taking into account the specificities of Sea Scouting

Participants Profile

- Members of national or regional teams responsible for Sea Scouting;
- Representatives from associations interested in introducing Sea Scouting, namely members of national or regional programme teams or similar bodies.
