

# Summer Academy *Working Title*

## Aims and Content

The Summer Academy is an innovative event which seeks to offer a range of training and exchange opportunities to meet the needs of individuals working as staff or volunteers in NSOs. Advanced Management Training, Young Leadership Development, funding opportunities, membership development issues, Youth Policy promotion..... all and more will be possible as part of a tailor-made response to your needs. Share good practices, develop your capacities, network with others and much more.

With this opportunity we hope to attract multiple applications from associations enabling synergies between and within associations.

## Priority Areas

- All areas of the work of the Region.

## Suggested follow up by participants and their associations

- Encourage networking of the learning realised with other members of the association
- Develop ongoing links with individuals from other associations and the Region
- Explore other training opportunities to develop aspects which excite and interest
