Circular N° 14/2009

To: International Commissioners

15th July 2009

13th World Scout Moot, Kenya 27 July to 7 August 2010

Dear Friends

Following a recent World Scout Bureau mission to Kenya I am pleased to inform you that our colleagues in Kenya Scouts Association are progressing well with the planning of the 13th World Scout Moot.

Work is commencing on upgrading the campsite infrastructure at the main venue, Rowallan, and also at the expedition centres located throughout the country. The first of four Bulletins will be distributed to all NSOs via Scoutpak next month along with Moot Registration kits. If you have not yet done so, I encourage you to visit the official 13th World Scout Moot website at www.scoutmoot2010.org where you will find more information.

The World Scout Bureau and key volunteers are actively engaged in supporting and advising KSA in the planning and delivery of this event. There are further missions to Kenya scheduled to take place in the coming months and we will keep you informed of progress.

Please find enclosed an information leaflet produced by the Moot Organising Team and a registration form for Head of Contingent visit which will take place in Nairobi from September 6th – 9th. If you have not already registered to attend this meeting, I encourage you to do so.

Please share information on the 13th World Scout Moot with your members. I encourage you to support our Scouting friends in Kenya so that the 13th World Scout Moot may be a great success for Scouting in Kenya, in Africa and worldwide.

Yours in Scouting,

Luc Panissod
Secretary General
