13th World Scout Moot, Kenya 2010 - Registration

Dear friends in Scouting,

Please find enclosed the registration kit for the 13th World Scout Moot, Kenya 2010.

The CD-ROM contains all of the documents required in order to register your National Contingent to the 13th World Scout Moot. Once you have opened the CD-ROM and selected your preferred language of English or French, please read the PDF file entitled "Moot Registration Manual". This Manual provides detailed instructions on how to register your National Contingent.

This is a Microsoft Excel spreadsheet-based registration system. As an additional service to those who do not have access to Microsoft Excel, we have included OpenOffice versions of the registration spreadsheets, as well as an installer for the Windows version of the free OpenOffice 3.1 software. These items can be found in the OpenOffice folder inside each language folder.

Finally, please note that the Moot Office will not accept individual registrations. The Moot Office will only accept registration of National Contingents made by National Scout Organisations. If you have any questions regarding registration, please contact the Moot Office at info@scoutmoot2010.org.

I look forward to seeing you in Kenya next year.

Yours in Scouting,

Luc Panissod
Secretary General
