

Goejedag  
Bonjour

As we are approaching the end of the year 2009 we thought it the right moment to give you an early Christmas present.

In this update on the conference we will give some useful info on the registration system, on transport and on Belgium.

#### Registration System.

We invite you to visit our website [www.europeanconference.be](http://www.europeanconference.be) for all latest info, but as well for the registration of your delegation.

The page registration/inscription will bring you to the registration pages.

May we ask you that only one person per delegation completes this list. This person must be the contact person for your delegation who we can contact in case we have questions or something was not correctly registered.

In 6 easy steps you will register for the conference and will book for the hotel accommodation.

We have blocked a limited amount of rooms at a special rate in the hotel:

€ 75 single room

€ 85 double/twin room

€ 100 triple room

These rates are per room and include breakfast.

We apply following conference fee system:

Paid before 31/01/2010: € 505,00

Paid before 31/03/2010: € 520,00

Paid before 31/05/2010: € 540,00

Paid before 17/07/2010: € 560,00

As we have a limited amount of rooms with the special rate and taking in account the conference fee system we advise all delegations to register well in advance.

Please be attentive that hotel and conference will be 2 different payments.

#### Transport

As you know, transport to the hotel is not included in the conference fee.

Via the website we will give you all the information you need on how to get to the Brussels Midi train station. From there on we will make sure that you and your luggage will make it to the hotel!

People travelling by car can use the hotel parking.

#### Belgium

When you think Belgium, you will probably think about following things:

Brussels, fries, beer, Manneken pis, Antwerp, Bruges, Liège, chocolate, comics,...

We challenge you to discover other typical Belgian "items":

Delvaux, Magritte, Jaques Brel, Ghent festivities, Binche Carnival, cyclocross, "ronde van Vlaanderen", language barrier,...
