

Creatures Conference

ThierryTournet-ttournet@scout.org
Creatures Conference

Aim : Scouts are working towards a world where sufficient natural habitat exists to support native species.

Educational objectives

- Explore a local natural area.
- Understand the ecosystem connections of native species of plants and animals and their habitat needs.
- Demonstrate the relationship between personal actions and the availability of sufficient natural habitat to support native species.
- Be aware of global conservation issues affecting biodiversity.

Age range: 15+
