

JOTA Games

Author: Richard Middelkoop
Saved From : www.scout.org

A collection of several games to make your JOTA weekend the best one yet.

Of course they can also be used before or after the event or during your summercamp.

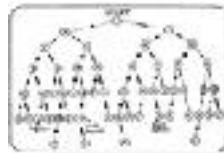

Do you have other ones? Let us know.

[JOTA and kites](#): a leaflet full of ideas how to use a windy JOTA weekend to your advantage (360 kb).

Three recipes for [200 cc \(1 1/2 l\) HF Prog Austria](#)

Download this [Morse Code \(40 kb\) Charts](#), young and old, found it easy to use.

A scout [Morse code](#) for use on a PC. Runs on any machine from DOS 5 and higher. This programme was written by Scouts in Hong Kong and used for JOTA. We also used it at World Jamborees and other events. It is simple and most popular. Download the programme and unzip the file on your computer (65 kb).

The [Bolivian w/ \(65 kb\)](#) an easy-to-use chart that lets you calculate the world's time differences !

In Slovenia, JOTA is not only a fun activity, but also a special soup. Here's how to prepare "_____ JOTA

The [radio puzzle game](#) in Germany for the 44th JOTA. (in German, 6 kb).
