Asia-Pacific Regional Plan 2009-2012

APR Plan 2009-2012 contains the eight strategic priority areas of the Asia Pacific Regional Plan for the period 2009-2012.

Small steps are necessary to reach our bigger vision. This is what this regional plan is all about. The plan reflects the inspired goals of many people, in particular the members of sub-committees and key leaders of National Scout Organizations.

Through this plan, the goals are translated into objectives and action steps covering areas we want to achieve in the next three years from 2009 to 2012.

This plan presents the eight strategic priority areas for 2009-2012:

1. Young People
2. Adults
3. NSOs
4. Management
5. Finance
6. Scouting Profile
7. Membership
8. Community

The plan spells out the statement or aim of each priority area, several objectives and a series of action steps that give the blueprint of numerous tasks to be done.
