Strategic Planning Kit

[This resource is designed to help NSOs with their own strategic planning. It also includes information on the planning process for the Strategy for Scouting.](#)

Presentation on An Organisation for the 21st Century. This presentation includes more detailed information on this strategic priority, an overview of the situation in NSOs in July 2002 and an example of an Information Centre run by The Scout Association in the UK.

WONDERforums - Background Papers and Reports

WONDERforums were on-line discussions for leaders, on topics of importance to Scouting, which took place during 2001-2002. Background papers were prepared, a set of questions identified, the questions were then discussed on-line over a two week period and then a report was prepared on the responses received.

Networking

This forum, number 6, explored and shared ideas and good practice on networking, through the experiences of leaders in a variety of settings.
