The Finance Support Group of the European Scout Region had a meeting on 10-11 November 2006. Among the topics discussed the main ones were: a review of the financial situation as at 30 September 2006 (closing of accounts); an analysis of expenditures for the period 2005/2006; an evaluation of the locations of the European Scout Office; an evaluation of the work done by the FSG and its impact on the Region (as the FSG is a new working group, which started in 2004); and a list of the future actions to be undertaken for the period 2007-2009: the implementation of the new financial regulation related to Internal Control System will be one of the major task in the years to come.
