Since 1 August 2007, Scouting's Sunrise, more than 1800 pictures of this special celebration have been shared on Pikeo. Scouts from around the world have had the opportunity to show, through their own photos, how they marked this special day. The photos uploaded onto the Pikeo pages show just how a picture is truly worth a thousand words.

Those who uploaded their photos had the opportunity to also participate in a competition. Winners have been chosen in two categories: 18 year and under, and over 18 years. Prizes have been generously donated by Pikeo, and we are pleased to present the winning photographs here:

1st Place - ?Sinaia? - Centrul Local Peles Sinaia, Romania

2nd Place - ?Guidouille64?, France
