

## AFRICA SCOUT DAY MPUMALANGA

On the 13<sup>th</sup> of March we took the initiative of the Africa Scout day. The team was:  
Lucky Bembe the National youth representative S.A,  
Jan Ekkert and Gregor Piesche both from Germany (DPSG) came in South Africa as  
Volunteers for a year.  
David Mauku a District Commissioner Nsikazi

We all four went to a disable center to celebrate the day and to show that Scouts do really care for others by showing the love and giving them some donations that we got from Emnotweni sun Hotel in Nelspruit. We also planted some trees which where donated to us to plant at the center from the department of Education Mpumalanga.

We are very happy about Africa Scout day because that's the time we reach out to other people and touch their heart and as our Scout slogan says; **A scout tries at least to do one good turn to somebody everyday**
