# Gifts for Peace

Gifts for Peace is a key programme for all Scouts to tackle local issues and make a difference in our local communities - a fitting way to celebrate our Centenary. Scouts worldwide are managing conflict without violence, challenging prejudice and encouraging greater solidarity.

The projects are being coordinated at a national level and cover a wide range of social issues including bullying; child soldiers; child labour; marginalised groups; religious intolerance; street violence and gangs; peace conflict resolution; health awareness and working in support of human rights.

## What are you doing to make the world a little better?
