Asia-Pacific Region Rover Peace Baton Replica

Dear Colleagues,

On March 2007 when the APR Rover Peace Baton relay was culminated in Manila, most of the Scouts were looking for a replica of the Baton as a personal souvenir.

We are pleased to announce that the Asia Pacific Region Rover Peace Baton Replica is now available (in limited quantity) for sale. The Baton signifies love for peace, relayed in 24 countries of the Asia-Pacific Region covering over 150,000 km creating a friendly and open environment where peace stays and grows in the hearts of every individual.

The Baton is made of gold-plated brass. The brass metal signifies strength while gold represents success, power and the continued existence of Scouting in character. The size of the Baton is 9 inches long and 0.75 in diameter with a wooden base packed in a box.

Formal Launching

The Baton replica will be launched at the 22nd Asia-Pacific Regional Scout Conference to be held at the National Youth Centre, Tokyo, Japan on 18-23 October 2007. All proceeds of the sale will go to the APR Scout Foundation.

A Baton replica costs US\$ 30.00 per piece exclusive of freight charges. However, if you can place your order to us immediately no later than *30 September 2007*, we can bring an appropriate number of pieces and deliver the items at the Conference without the postage cost. Failing which, the mailing costs will be billed separately, items will be dispatched after receipt of payment.

All NSOs are encouraged to promote the Baton replica as a memorabilia of the APR Golden Jubilee celebration and the APR Rover Peace Baton as a symbol of the peacekeeping efforts of Scouts.

Order now to secure your memento.

Order directly from the World Scout Bureau/Asia-Pacific Regional Office using the attached order form and email it to asia-pacific@scout.org. or you may fax it to +63 2 819 0093.

Thank you in advance for your continued support and cooperation.
