

3 Clips on Peace, Education and Environment

Autor: Thierry Tournet
Saved From : www.scout.org

These three clips highlight some of the issues facing the world today and how, through the core values of Scouting, the Movement is active in being part of the solution and working to realise the vision of 'Creating a Better World'.

Peace

Peace education is a fundamental part of the Scout Movement.

28 million young people are prepared to build and sustain peace.

And what about you? Are you prepared? [[Download](#)]
