Burundi: the Scout week 2009 starts with blood donation

Autor: Euloge Ishimwe

Saved From : www.scout.org

NGOZI - On February 16, 2009, Scouts from Ngozi area in Burundi, with their Area Commissioner, Engineer Bonaventure Nduwimana (pictured), started the Scout week with charitable activities such as blood donation.

The Scout week, that Scouts of the whole world celebrate each year around 22 February, birthday of the Founder, is not only a tribute to the latter, but also to the first Scout and Guide leaders of the world.
