| <p><b>SP2: Adolescents – supporting their transition to adulthood/</b> This strategic priority aims at supporting NSOs in responding effectively to the needs and expectations of adolescents. This will result in an increase in membership in this age-range and enhance Scouting's reputation as an organisation which helps young people in their transition to adulthood.</p> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
| Global Impact                                                                                                                                                                                                                                                                                                                                                                      | <ul style="list-style-type: none"> <li>• Young people join Scouting to be part of a network of young people committed to make a difference in their local, national and international communities.</li> <li>• Adolescents and young adults are offered a wide range of activities which challenge them and help them to engage fully in civil society.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                         |
| Outcomes for NSOs                                                                                                                                                                                                                                                                                                                                                                  | <ul style="list-style-type: none"> <li>• The youth programme for adolescents offers opportunities for young people to prepare their 'life-plan' and develop 'life-skills'.</li> <li>• Young people are coached and assisted in developing the skills to participate in decision-making and encouraged to use these skills in Scouting and in society.</li> <li>• Leaders receive appropriate training to work effectively with adolescents and young adults.</li> <li>• The image of the Movement is attractive to adolescents and young adults.</li> <li>• There is growth in the quantity of young people in the adolescent and young adult age-ranges and in the quality of the youth programme offered to young people in the association.</li> </ul> |
| Outcomes for WSC/WSB to Support NSOs                                                                                                                                                                                                                                                                                                                                               | <ul style="list-style-type: none"> <li>• Guidelines are produced on the development of the Venturer and Rover Scout Sections and the implementation in NSOs is supported.</li> <li>• Guidelines are produced on the training required for leaders who are working in the Venturer and Rover Scout Sections and the implementation in NSOs is supported.</li> <li>• Guidelines are produced to support the brand and image of the Movement focus on the adolescent age-range and their implementation in NSOs is supported.</li> <li>• World and Regional Youth events receive active support and follow-up from World and Regional Committee members and members of the World Scout Bureau, Central and Regional Offices.</li> </ul>                      |
