On Sunday 1 November, after all the sessions were finished, all Scout participants departed from the Hotel Sport in Kralupy. Most academics headed home but for a few, they had a great chance to visit nearby Prague.

A big "THANK YOU" again to all professors, the volunteer helpers from Junak and the Central Office Team for making the event the success it undoubtedly was.

The region will conduct a full review of the sessions, content, structure and look for the successes, the challenges and for advice to the European Scout Committee on what to consider for the future.

We are looking forward to the next Academy!
