Desktop Background Images

You can use the following images to apply the SCOUTS brand on your computer.

Images are available in 1600x1200px (4/3) or 1680x1050px (16/9).

If you don't know how to change the desktop background image on your computer, you can read the following pages depending on your operating system : [Linux](#) [Mac OS](#) [Windows](#)
