39th World Scout Conference & 11th World Scout Youth Forum – Brazil 2011

Dear Colleagues,

Please find enclosed the 39th World Scout Conference and 11th World Scout Youth Forum Information Brochure. In this brochure you will find information on:

- Programme and Agenda for the 39th World Scout Conference
- Programme and Agenda for the 11th World Scout Youth Forum
- The Conference Hotels
- The Accompanying Person's Programme
- The Inter Event Programme
- Pre and post-events tourism
- Practical information for travelling to Brazil

In accordance with World Scout Conference Resolution 20/05, the World Scout Bureau has taken measures to reduce the volume of printed material it produces in relation to the World Scout Conference and World Scout Youth Forum.

Registration Kits for these events will be mailed to National Scout Organizations only in a separate mailing to this Scoutpak. Each National Scout Organization will receive one NSO registration kit and one sample kit for individuals for each of the two events.

All registration documents for these events as well as the Information Brochure are available for download from the WOSM website at scout.org. A limited number of additional printed copies are also available on request from the World Scout Bureau.

For additional convenience, and as a further means of avoiding excessive use of paper, we encourage all National Scout Organizations to use our online Conference and Youth Forum registration system, further details of which can be found in the registration kits.

I look forward to seeing you in Brazil in January.

Yours in Scouting,

Luc Panissod
Secretary General
