international scout centre

Kandersteg International Scout Centre began in 1923 with Lord Robert Baden-Powell, who, after the first World Scout Jamboree had a dream about a place where all Scouts from all over the world could meet. His dream came true and now you have the opportunity to visit Kandersteg International Scout Centre and live your Dream!

The Centre is open to Scouts all year round, as well as to non-Scouts for most of the year. Our website is divided into 6 sections, based on the different parts of the Centre. There is a lot of information available in each area, with more available in different languages for you to download.
