11th World Scout Youth Forum, Blumenau, Brazil 2011
Invitation letter for Registration to NSO Exhibition space

Dear participants,

Plans are progressing well for the WSYF and to facilitate the 11th World Scout Youth Forum as a successful and unforgettable experience through learning and sharing, the WSYF Planning Committee is providing an exhibition area so that good practices can be shared. This is an invitation to NSOs wishing to display experiences or practices to register for space.

The following information will be useful in preparation for the exhibitions:

Exhibition date: Sunday 2nd January 2011 to Thursday 6th January 2011

Venue: Hotel Vienna Park, Blumenau, Brazil

Theme: 'Paddle your Own Canoe'

The theme is divided into 2 topics: World Wide Movement - Scouting (or WWM Scouting) and Empowering Young Adults. During the event participants will be able to navigate along the theme through the process of:

- **'Exploring'** which is devoted to general information/knowledge on the topic,
- **'Developing'** which make provision for equipping participants with skills and deeper insights and
- **'Responding'** through taking concrete actions, and committing oneself.

Participants are therefore invited to display their experiences or success stories related to the process or theme.

Space Specifications: One display panel of 1.8m by 1m is guaranteed per NSO that has applied by the closing date of 12 November, 2010.

Publishing media: Posters, photos, videos, books, manuals, and other publications are among suggested materials. Participants wishing to use any publishing media not listed above are invited to liaise with the planning committee.

Terms for Registration: Participating NSOs are invited to register to reserve exhibition space before **12th November 2010**. Registration form (Form 4) is available online at scout.org/forumdocs where you can also find additional information about the WSYF.

Other: The presentations should depict any achievements in the selected topic, with a particular focus on how young people contributed, the involvement of the different stakeholders and lessons learned.

The sharing of good practices is an important part of the WSYF and we would like to encourage all NSOs with delegates at the WSYF to set up a display as a way of achieving this goal and contributing to building a successful Youth Forum.

Many thanks in anticipation of your support and we look forward to seeing you in Brazil!

Yours sincerely,

Luc Panissod
Secretary General
