Just right after the CSPSA meeting, forum participants were joined by the leaders of Polynesia Scouts Council and took part in the four-day management workshop from 29th July to 1st August 2008.

At the workshop, each association drafted their vision statement targeting to strengthen the organization and membership growth enabling them to see the real picture of Scouting in their respective countries.

Discussions evolved in in sharing and assessing the capacity building of each association in the area of youth program, adult resources, strategic management, financial resources and constitutional matters.

Regional Director Abdullah Rasheed and APR Director S Prassanna Shrivastava coordinated the event.
